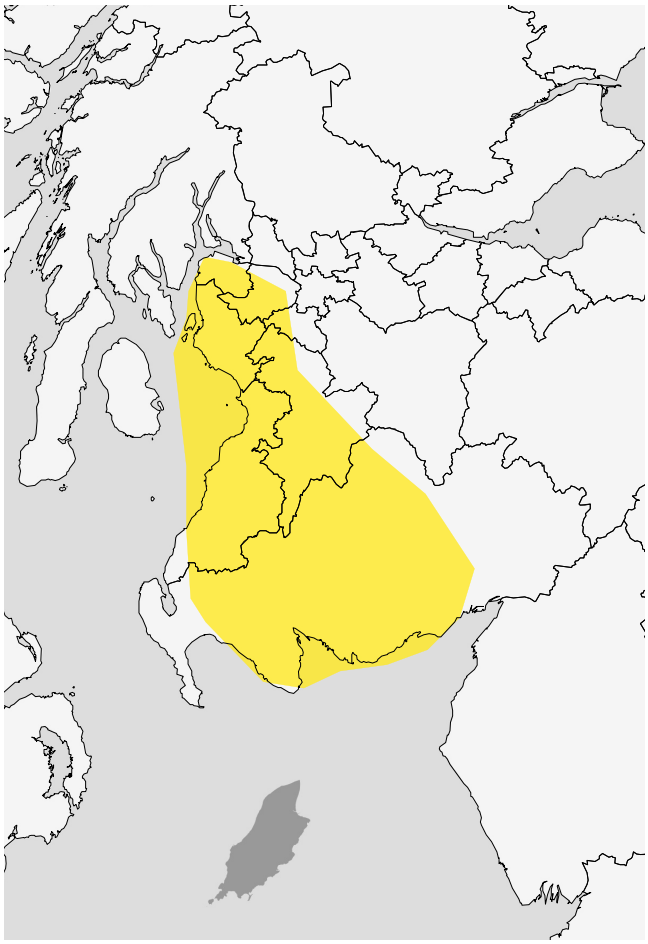
Yellow warning
Rain

Between
09:00 Thu 29 Oct 2020 and
23:59 Thu 29 Oct 2020



Periods of heavy rain may lead to flooding and disruption to transport.

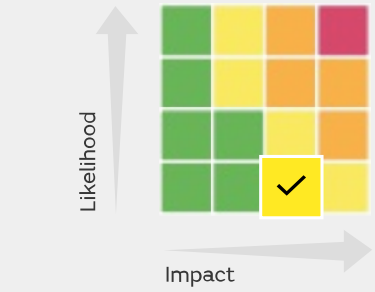
What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

Periods of heavy rain are expected to develop across Southwest Scotland on Thursday morning and through the afternoon.

Accumulations of 40-50 mm are possible, especially across the Galloway hills and hills of North Ayrshire. The rain will gradually ease through the evening.



Very low likelihood of medium impacts
